

Paula's Newsletter – November 2010

To all my dear friends and family,

Greetings to you from Russia, where we have been for a week now. It is so good to be back and to be catching up with everyone we love so much after being away for 5 months. The team are doing really well, and have been running the Centre very well without us, which is great. Those who were in Mozambique with us are very different and God touched the lives of those who stayed home; it is so exciting to see how much everyone has grown and changed in the last 5 months!

We have a Healing School starting tomorrow (Mon 1st November) which will run for 3 weeks. The students have come to learn the basics about inner healing and deliverance. We are believing as always that not only will they learn how to minister to others, but that they will be healed and their lives transformed. Please join us in praying for an open heaven, the manifest presence of God bringing healing and transformation, for joy, life and strength to be flowing.

We are also looking forward to having George Dowdell and Simon and Jessica Hannington who are coming out to visit us in the middle of November. They will be here to celebrate with us our 8 year anniversary celebrations – it is hard to believe that the Centre has been running now for 8 years!

Thanks so much for your prayers and support.

Love and hugs,

Paula xx

God's love in action ...
