UGANDA Child Sponsorship

The Child Sponsorship project is designed to ensure that children in Uganda are able to attend school and receive a good education. The children come from extremely poor families.

Many children cannot attend school because their families cannot afford to buy items such as boots and exercise books. Without these, children will be sent home and soon drop out of the system.

Needs vary for each child according to what is happening in their lives. This, and other variables means that there is not an exact link between the money you give and the benefits received by the child.

What does Sponsorship cover?

- Exercise books, Text books etc.
- Boots
- Food
- Medicine if needed

Where do they come from?

Sylvia Pinkney works with Y.W.A.M. in a village near Jinja in Uganda. She works with around 120 children and young people helping them to be able to attend school and receive a good education.

Can I write to the child?

Yes, please do! We ask you to send it through us and we will ensure that it is translated.

We cannot guarantee replies, but we actively encourage the children or the families to write once every six months. However cultural and practical communications differences means that forming a relationship is possible but needs to be "worked at".

Birthdays and Christmas?

You may send a card through us - but please no presents. At Christmas we will invite you to contribute to a Pooled Christmas Fund to ensure that all children receive the same extra amount.

How does sponsorship work?

- Sylvia Pinkney selects children and sends details to KINGSCARE in the United Kingdom.
- We invite you to fill in this response form.
- KINGSCARE sends you a sponsorship card containing a photograph and brief details of the child.
- You may then communicate with "your" child.

This is Sylvia Pinkney with 12 orphans. There are sponsored through this child sponsorship programme so that they can have a good education. These children have lost their fathers and mothers mostly due to HIV / AIDS. They are very grateful for help they receive.

Sylvia says that the donation gifts through child sponsorship really change and save lives.
